

## *Tuition Fees for the Academic Year 2008/2009, Programs in English*

All tuition fees and other costs stated in this document are in euros. All the fees and costs can also be paid in Estonian Kroons (EEK). According to the Bank of Estonia the official fixed exchange rate between euro and kroon is 1 euro = 15,6466 EEK.

Tuition fees for the academic programs offered at IUA in Estonian and Russian language are brought in separate documents.

### **I TUITION FEES**

Tuition fee payment options:

1. Tuition fee per credit\*
2. Tuition fee per academic year (payment in one part and in four parts)\*

\*p. 4 and section Discounts p.1.

#### **1. Tuition fee per credit**

Study level	Academic Schools, prices in euros	
	Business, Social Sciences and Humanities	Law
Bachelor	93	98
Master	103	103

Tuition fee can be paid 3 times a year:

- a. **within 10 days of signing the study contract**, minimum 4 credits;
- b. **October 5** the rest of the tuition fee according to credits registered for the Fall term;
- c. **February 5** the rest of the tuition fee according to credits registered for the Spring term;

#### **2. Tuition fee per academic year**

Tuition fee covers 40 credit points per academic year. All credits taken additionally/above 40, will be paid separately based on tuition fee per credit (see previous section). There will be no transfers of unused credits to the following academic year.

##### **2.1. Tuition fee in **bachelor's studies****

- paying in one part\*, see section "Discounts" p.1 and 2
- paying in four parts

Academic School	Tuition fee per year	Payment deadlines (paying in four parts)
-----------------	----------------------	--

	in euros*	...**	05.10.08	05.12.08	05.02.09
Business, Social Sciences and Humanities	2990	740	750	750	750
Law	3150	780	790	790	790

\*\* first installment has to be paid within 10 days after signing the study contract

## 2.2. Tuition fee in **master's studies**

- paying in one part\*, see section "Discounts" p.1 and 2
- paying in four parts

Academic School	Tuition fee per year (in euros)*	Payment deadlines (paying in four parts)			
		...**	05.10.08	05.12.08	05.02.09
All Schools	3330	830	830	830	840

\*\* first installment has to be paid within 10 days after signing the study contract

## **3. Tuition fee in doctoral studies**

Tuition fee for students in doctoral studies regardless of the academic school is 470 euros per academic year. Tuition fee payment deadlines: 235 euros 10 days after signing the study contract and 235 euros by February 5.

## **4. Tuition fee payment for applicants, who need a temporary residence permit for studies**

An applicant who is not a citizen of a EU member state and who needs a temporary residence permit for studies, must study full-time and pay the tuition fee for the whole academic year in one installment. In case a student does not register for courses or does not participate in the academic process, the university has an obligation to inform the migration authorities (Citizenship and Migration Board) about that. The temporary residence permit is issued for a period of up to one year (with further extension), but no longer than the estimated duration of studies.

## **Discounts**

*Applying students* who pay the tuition fee for the whole academic year 2008/2009 within 10 days of signing the study contract, will get a 5% discount from the tuition fee.

*Continuing students* who pay the tuition fee for the whole academic year 2008/2009 before **August 20 2008**, will get a 5% discount from the tuition fee.

International University Audentes, IUCA and CIUE alumni who continue studies in master's or doctoral programs will get a 5% discount on the tuition fee.

Applicants, who submitted an admission application during the Friends' Week's campaign (February 11-15, 2008) and other similar campaigns, will get a 10% discount from the tuition fee for Fall term 2008.

*A Family discount* gives 5% discount if two members from the same family are studying at IUA; three members studying at IUA are eligible for a 10% discount; and for four or more members, the discount is 15%.

Students who pass two full-time academic programs in parallel, get a discount of 10% from both tuition.

An additional application is required for getting discounts mentioned in items 3, 4, 5 and 6.
